Thanks Rose!

Here also is the revised outfall summary table, which I just received from Karen Tarnow.

cheers
Valerie

Erin, Rose -

I sent this to EPA and DEQ managers, but I can't access my address book. Could you please forward to others as needed?
thanks
valerie

This communication is made under the framework of the LWG Participation Agreement and in the parties' common interests in meeting LWG member obligations under the Administrative Order on Consent and in anticipation of litigation concerning liability for the Portland Harbor Superfund site. This communication is intended and believed by the parties to be part of an ongoing and joint effort to develop and maintain a common legal strategy and contains strategies, work product and legal advice within the "common interest" extension of the attorney-client privilege and the work product doctrine. This communication may include attorney-client communications. With respect to communications by private LWG members to public members, those communications are with the expectation that they will be kept confidential by the public entities. The information is intended to be for the use of the individual or entity named above. If you are not the intended recipient, please be aware that any disclosure, copying, distribution or use of the contents of this information is prohibited. If you have received this electronic transmission in error, please notify us by electronic mail at voster@anchorenv.com [<mailto:voster@anchorenv.com>](mailto:voster@anchorenv.com) .

Val - Please distribute this to the managers. Thanks

In addition, here's an update on the FSP. Carl Stivers is working on the first draft of the FSP and plans to have it ready by early January for the Tech Team to review.
